

25 February 2008

To whom it may concern,

I can confirm that Welcome Break trialled the CUES at one of its locations on a selection of 13 refrigeration units including 4 'walk in' rooms; the results are very encouraging. Whilst this pilot was only at one site, the specifications will be different at other locations; we believe however that the 3 months payback could also be achieved at the other locations.

Attached are the results of the trial

Yours Sincerely
